COMFORT OF HOME FIRST MORTGAGE

ASSISTED RATE LOAN WITH DOWN PAYMENT ASSISTANCE

The borrower receives a 30-year, fixed rate, fully amortizing first mortgage loan with 360 level monthly payments as well as assistance equal to **a percentage** of the full note amount to apply toward down payment or closing costs. Current rates are available online within the system. Income limits apply.

Fannie Mae HFA Preferred and Freddie Mac HFA Advantage Conventional Loan - Income at or below 80% AMI

These loans will have lower income limits (determined by Fannie Mae and Freddie Mac and already calculated in this guide) and receive charter level reduced MI coverage.

Fannie Mae HFA Preferred Conventional Loan - ABOVE 80% AMI

These loans will use the same income limits as the FHA and VA loans and will receive standard level MI coverage.

ASSISTANCE - FORGIVABLE SECOND MORTGAGE

The Assistance is calculated on the TOTAL Note amount. **This amount is funded by Jefferson Parish Finance Authority at closing.** The Assistance may be used for down payment, closing costs and pre-pays. While there is no cash back in this program, the borrower may be reimbursed for any overpayment of escrow. Because the Assistance is a fixed percentage, any remaining Assistance must be applied as a principal reduction. The assistance is reserved automatically with the first mortgage reservation. There is no additional reservation necessary. Fees on the forgivable second are limited to recording fees. Any remaining amount of the DPA second mortgage will only be due from the borrower if the first mortgage is prepaid, refinanced or if the borrower sells, transfers or otherwise disposes of the property, including foreclosure, before the end of the 60-month or 180-month period (see below). Second mortgage forms include: Partial Exemption Disclosure, Second Mortgage, Promissory Note and DPA Letter all signed at closing.

Effective with loan reservation 03/25/24

All second mortgage loans are 0% Interest, 5-year deferred, with no payments, forgiven after the 60th month. No pro-rata forgiveness.

PROCESS SUMMARY FROM TRAINING TO LOAN PURCHASE

LENDER ONBOARDING

Our On-Boarding process is designed to provide all participating lenders and their staff web-based training related to the Program, Technical and Workflow requirements of each program. Based on your role, there are certain training requirements prior to adding a new Program and Features. These are determined based on which modules you have completed in the past, and which Programs you want to add to your Portfolio.

Once you have submitted the eHP On-Boarding Registration, the eHP On-Boarding Team will create a specific training program for you based on the role(s) you selected, and you will receive an email confirmation with relevant information. Upon completion, your User Credentials will be created (if you are new User) or updated (if you are a current user) and you will receive a system generated email with this notification.

[Click on this link to register for training.](#)

Items to be uploaded in the compliance file include:

- Real Estate Purchase Contract

[Log-in here and use the Digital Docs App](#) to upload the compliance file.

The Compliance File should be a PDF file uploaded upright and in a clear legible format, composed of all required documents on the Checklist. Don't upload a compliance file until everything is included in the package. The more complete the file, the quicker the review and approval, and the file AND fee must be received to start the review process. Be aware that Loans will go straight to deficient status if items are missing, or if the fee was not received or properly identified. Once you are ready to upload your documents select eHPDigital Docs and from the drop down menu click on New Upload and follow the prompts.

SUBMIT THE REQUIRED COMPLIANCE REVIEW FEE

The Compliance Review Fee may be submitted separately from the Compliance File.

eHPay is a secure, efficient method for lenders to pay the fees ON-LINE. Loans managed through eHPay are processed faster, without fee errors or other unnecessary delays. The Lenders Accounting Staff can access eHP FrontPorch and process the compliance fees payment easily via the Digital Docs and eHPay apps.

Not sure of the required fee for your loan? Use the **FIND MY FEE** feature and get the instant answer by entering the eHP loan number or by Program. Compliance Files Uploaded are NOT ready for review until the Compliance Review Fee Payment has been received by eHP.

USE **PAYMENT CENTRAL** to determine any loan that may be pending fees, unidentified payments, files pending payment and short payments.

LOANS PENDING FEES lists Compliance Files that have been uploaded successfully, but whose fee payment is still pending. Lenders can monitor this area to ensure their fees have been delivered in a timely manner.

UNIDENTIFIED PAYMENTS are payments received from your company without the proper identification to apply it to the intended loan. Lenders can monitor this area to ensure that payments made are being properly identified with the eHP LOAN NUMBER.

PAID LOAN FILES lists compliance file that have been paid.

SHORT PAYMENTS If an incomplete payment is submitted, it will be displayed indicating the amount paid and the correct fee amount.

CLEAR A DEFICIENT COMPLIANCE FILE

LOAN DEFICIENCIES ARE NOT ACCEPTED VIA EMAIL.

Welcome to the Next Generation of eHousingPlus® Solutions

eHP FrontPorch Helpful Tips

Our new eHP FrontPorch graphical menu lets you access all apps and tools with one click. These apps were designed to assist you with the program requirements and workflow. In addition, eHP FrontPorch introduces new innovative tools such as Collaboration Station, Quick Tips, the eHPlaylist, and the Alerts and Notifications area. These NextGen Lender Platform tools have been designed to help you complete your tasks quick and easy.

eHProForms

eHProForms is our newly designed forms generation app where a lender will access all program related documents. Using a search feature to quickly access the loan file, it provides all of the program forms that are required for your specific loan.

The forms are now organized by purpose leading with compliance related forms which will be part of the compliance package you sent to eHousingPlus, the closing second lien assistance and other similar forms you will submit to the servicer and their package and two additional areas for special forms and documents that may apply to your loan. The forms instantly generate from your loan record so it's essential to make sure that you review the information for accuracy.

If something needs to be updated you can log into the eHPortal, edit the loan and you come back to eHP FrontPorch and regenerate the forms. It is easy and you can create forms as many times as you need with just one click. If your loan record has not been updated, your loans will be incorrect, and your file will be placed in deficient status.

Clicking the waffle menu at the top of the page is an easy way to get back to the main menu.

Collaboration Station

Collaboration Station creates a history of any issue that has been communicated regarding a specific loan and provides certain status alerts.

In collaboration station you can create a note to save to the loan file or you can send a message to anyone in our compliance team.

Click the message icon and a menu of eHousingPlus staff will appear at the top with their role for you to make the appropriate selection. You may include your team members who have user credentials to eHP FrontPorch that may assist in expediting solutions for your loans.

In Collaboration Station, you can also find the Servicer notes and exceptions that need to be addressed with them. By providing this view to you it gives you transparency to any problem that has to be resolved related to the mortgage or collateral submitted to the Servicer. This view can be grouped, filtered, searched, and exported.

eHPlaylist

The eHPlaylist is a newly created video platform with tutorials on where to perform tasks best practices and how-to's, all created to assist you with important information. Visual content is easy to access and understand and our playlist has a library of short concise and process-based learning topics. The video library has various categories and brief descriptions to easily build learning tools for your team. Together with Quick Tips, the eHPlaylist will provide you and your team with continuous learning resources to help you keep up to date with any platform or process changes.

Alerts and Notifications

The Alerts and Notifications area (bell and envelope icons) has been designed to provide you notifications of notes and messages related to your loans, with additional notification of status changes based on your role. When you send and receive messages using this app, you will receive a notification alert so you can easily see what's happening with your loans.

The last area on the notification panel (world icon) is made available to help you navigate to any of the program pages, guidelines, eHPUniversity and to view eHP News.

PROGRAM TIMETABLE

BUYERS MUST HAVE A FULLY EXECUTED SALES CONTRACT FOR A SPECIFIC PROPERTY in order to have funds reserved or to be on a waiting list. The contract may be dated prior to the date of the loan application. Buyers may be pre-qualified. However, if the buyer does not have a contract on a property, program funds cannot be reserved for the buyer until such time as the buyer presents a valid contract.

To assure that loans are purchased, please follow the Processing, Delivery and Purchase Timetable below. Please **DO NOT** reserve loans that cannot meet the timetable. This is particularly important with respect to new construction, foreclosures and short sales. Please wait to reserve funds. Loans not purchased within the time frame below, cannot be purchased.

The revolving pool of funds assures continuous funding. Fund availability makes it unnecessary to rush to reserve funds.

Loan Processing, Delivery and Purchase Timetable

Once a loan is reserved in the eHousingPlus system and is provided the Servicer's Loan number, the loan must be:

- Underwriter Certified PRIOR to loan closing
- Purchased within 70 days of loan reservation*

** 70 days is from reservation to loan purchase by the servicer (this means the loan file closed, received compliance approval and is purchased by US Bank).*

Loan Purchase Extension Fee - Loan reservations January 1, 2023 and after

Any loan not purchased within 70 days will automatically receive a 30-day extension at the cost of 0.25% of the loan amount. Additional 30-day extensions will be applied as needed at a cost of 0.25% of the loan amount for each extension. Extension fee(s) will be netted by the Servicer when loans are purchased. (Rev 01/17/23)

Rate Locks to Borrowers

Rate locks to Borrowers are determined by the Lender given the 70-day rule.

Example: a 30-day rate lock to the Borrower allows for a 35-day loan delivery to U.S. Bank, with an additional 5 days for suspense items, review and funding by U.S. Bank. If needed, a 30-day extension is available in exchange for an extension fee, as defined on the Interest Rate Notice, and netted out of the Mortgage Loan purchase price.

PROGRAM FEES**eHousingPlus Fees**

The program includes a first mortgage Compliance/Admin Fee of \$275 and a penalty fee of \$100 for files that are chronically deficient. The Compliance/Admin Fee is submitted with the Compliance File via eHP [FrontPorch using the eHPay App](#).

The **Compliance/Admin Fee** is the fee charged by the Program Administrator/Compliance Agent to process the applicant/borrower from Origination to Compliance Approval, and to assess that the lenders originating such loans are following Program guidelines for the benefit of the eligible borrower(s). The Program Administrator/Compliance Agent tracks the loan via its web-based system, and assists the lender in processing the loan ensuring eligibility to the program available offerings, which can include various rate options, and down payment assistance. The Compliance/Admin fee includes the review of information and documents delivered in the form of a Compliance File by the originating lender, on behalf of the borrower. Additionally the Compliance review verifies that the lender has charged only the fees allowed by the Program. Contrary to this, approval may be denied and/or fees may have to be reimbursed to the borrower. The compliance file processing consists of required affidavits, application, closing documents, certain non-mortgage documents, tax returns where applicable and other pre-defined Program documents that are disclosed to the potential borrower(s). This is required to ultimately receive Compliance Approval. These documents can support both the first mortgage and any down payment assistance available, and are required to ensure eligibility to the Program, Federal, State and Local requirements, where applicable. The Compliance review verifies that the data and documents submitted meet all requirements, and may include those for first-time homebuyer, income limits, sales price limits, targeted areas, homebuyer education, rate, term, points, fee limits, LTV, FICO score, special state, city, county program requirements for qualified military, first responders, teachers, etc.)
